

The Story of the Healing Stone

It happened purely by accident. Find out about the incredible story how over 20 years ago Jay Gutierrez discovered a powerful healing STONE. See how since then he has been able to use the STONE and the process of Radiation Hormesis to obtain astonishing results with everything from:

- Pain
- Lyme Disease
- MS
- Autoimmune Conditions
- Cancer
- Arthritis and many other Serious Illnesses

This powerful HEALING STONE works through a very low safe dose of RADIATION HORMESIS. Learn more about the effects of the STONE and where to get one at the lecture. Additional in-depth information on low-level radiation therapy can be researched at www.nighthawkminerals.com/researchit.html or go to www.NightHawkMinerals.com

Jay and Faye
Founder and Co-Owners of
Nighthawk Minerals
and the Radon Therapy Centers

We offer one-time special prices on some of our products at the lectures. Don't miss out!

Saturday 10.2.2010

Time 1:00-3:00pm

Night Hawk Minerals, Radon Therapy Center better known as The "Mineral Palace", is a new type of Therapy Center. Using low level radiation therapy combined with massage therapy, reflexology and a regimented detox program will help you start your healing process. Each individual who attends a 7 or 10 day session will have his or her program designed to meet the specific needs of their health issues. Faye the Co-owner and General Manager of Nighthawk Minerals LLC. will talk more on the "Mineral Palace".

511 S Jefferson St.
New Ulm, MN 56073
